- 360° swivel for easy maneuverability
- Variable steam settings to suit every garment

PHILIPS

sense and simplicity

Steam iron with Non-stick soleplate
1000 W 13 g/min steam 60g steam boost

GC1418/02

Highlights

Calc clean slider

This calc clean slider makes it very easy to remove scale out of your iron. To maintain the performance of your Philips steam iron you should use this scale clean function once a month.

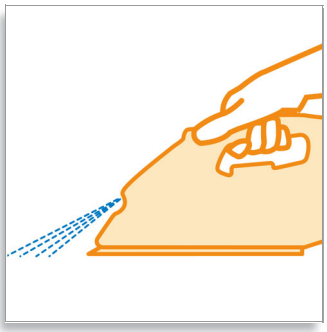
Continuous steam output

Continuous steam output up to 13 g/min

Steam boost up to 60 g

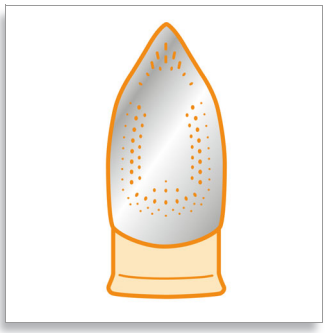
Applying a steam boost will release a steam shot up to 60g which will help to remove even the most stubborn creases

Spray



The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Non-stick soleplate



The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Watertank filling door

Water tank filling door to prevent the water from spilling accidentally from the watertank

360° swivel

With this flexible swivel, which rotates in all directions, it is easier to maneuver the iron over the board

Variable steam settings

Variable steam settings let you select the perfect amount of steam for each fabric, so you get professional ironing results.
